CHANGES  
EVERYTHING

# AURA

A golden statue of a man in a hat holding a rifle, with the word 'AURA' overlaid in large white letters. The statue is highly detailed, showing the texture of the metal and the man's facial features. The background is black, making the golden statue stand out.

*Explore space, delve into the Dreamtime, and re-live Australia's most important rebellion – all while travelling under the night sky. AURA combines 3D cinema, world-class projections and experiential storytelling to reveal how gold revolutionised Australia.*
